DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean, like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

A large delegation of A. and M. boys were here a few days of the past week to spend a few days en route to their homes for the Christmas holidays. In the party were Messrs. Johnny Gayden, Bill Poe, Waldo Bailey, Pete Peterson, Gilbert Darrington and others.

Mr. and Mrs. W. F. Patty and Miss Lizzie Patty will arrive tomorrow from Greenwood, to spend the holidays in Columbus.

WOMEN NEED SWAMP-ROOT

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healing condition, they may cause the other organs to become diseased.

Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Columbus Semi-Weekly Dispatch.

A NEW YEAR RESOLUTION

Resolved, That I will invest my surplus earnings and cash in Columbus and country real estate, where the values are sure, the earnings certain, and where I can have personal control of the same all the time.

Resolved further, That in investing here I am helping my town, helping my people and helping myself, contributing to the development of my community and the development of my county and section.

Resolved further, That I will buy from the Maer Realty Company, a company which has been doing business for twenty-five years and which has never had a law suit or a misunderstanding.

(Signed)

PATRIOTIC CITIZEN.

Well, Mr. Patriotic Citizen, if that is your resolution, and it ought to be, here are some real opportunities for you:

COLLEGE STREET HOME.

Fine College street home, close in and a valuable property. Rented to September the first. You had better buy it now for possession next fall. We are already selling homes for people who expect to take possession on the first of next September. The price: Only \$4,500.

A STORE HOUSE.

Do you know that there is not a vacant store house in Columbus and that there is demand for one every day? What good does \$3,250 do you in the bank? Take this store at this price and get \$25.00 a month rent or with a little repairs \$30.00 a month. Stores are good investments, certain returns, little chance of a fire, no walls to fix, easy to take care of. Buy it.

CITY LOTS.

The city expansion program is bound to begin this spring. Buy your lot now. Let us show you some attractive locations at attractive prices.

PRAIRIE LAND.

Do you know that prairie land is getting scarce. We have some attractive offerings for you. Suppose you take on a small farm. You can rent it for a good revenue and it will be advancing in value all the time. Our prairie land will ultimately sell for from \$200 to \$400 an acre.

SOUTH SEVENTH STREET HOME.

We have a very desirable South Seventh street home on the car line and close to the school. You had better buy it for next fall. By buying now you can make money on your investment or you can move in in the fall.

COTTAGE CHEAP.

Why somebody who wants a nice cottage home don't buy No. 215 North 12th street we cannot understand. It is a big bargain and you can get possession of it in thirty days or you can continue to rent it until the end of the year. It is priced for only \$2,750.

FINE SUBURBAN PROPERTY.

The Felix Chapman home on the Highlands is a rare bargain. Mr. Chapman has bought a prairie farm or two and is going to the country—hooray! Not that he is going to the country but that we have a chance for a good sale.

ANOTHER VALUABLE SUBURBAN PROPERTY.

Beautiful home, 9 3/4 acres, best neighborhood. Magnificent trucking land, 12 rooms, 2 complete baths, hard wood floors, steam heat, 600 foot artesian well, electric lights, piped for gas, 2 big barns, two room cabin. Possession on February first. \$5,000 cash and the balance on time at six per cent will get it. Mr. Warren Cox's home, a beauty.

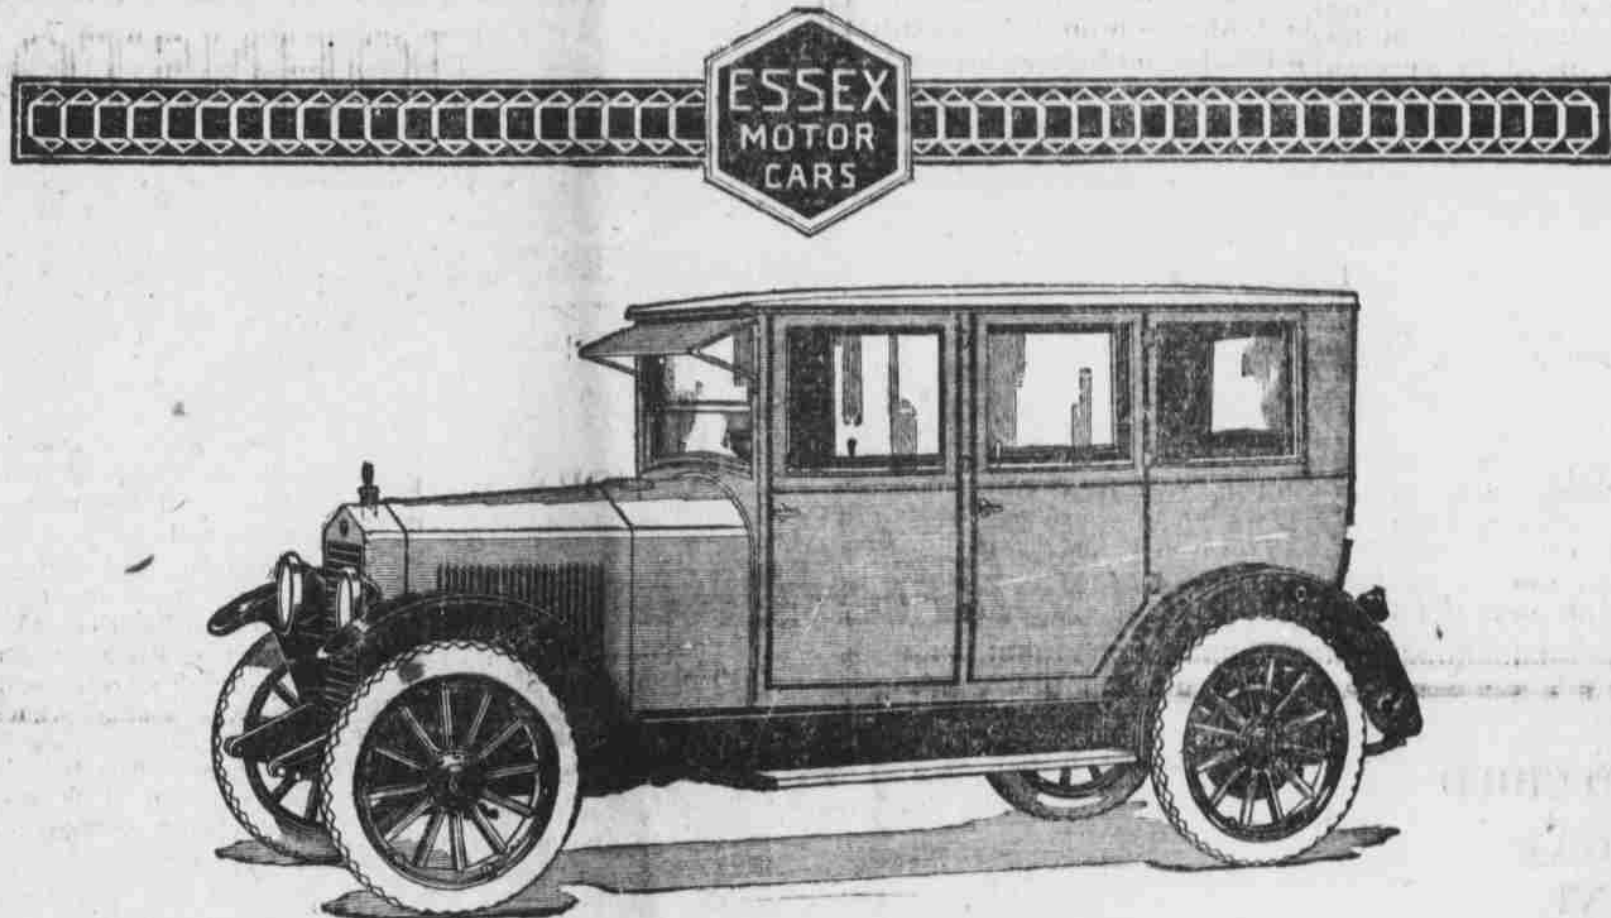

TWO COTTAGES.

Two good cottages at \$1400 each. Five hundred dollars cash and the balance on time. Possession in thirty days.

If you want to buy ANYTHING see us; if you want to sell ANYTHING see us. Look over our lists after you have closed your year's business and invest your surplus. Put it to work.

Make It An Essex

Delivery in the Spring is Not So Certain.
Hear How 20,000 Owners Urge You

This Christmas

What better gift than an Essex?

Have all the year's use of it and remove doubt as to delivery in the spring.

There can be no advantage in waiting. The Essex so leads in qualities which must ultimately be the features of all moderate priced cars that until they can be incorporated by others, it has no rival. Everyone says so. Hear what owners are saying about the Essex. More than 20,000 Essex cars were delivered in 10 months. In excess of \$30,000,000 were paid for them. A new sales record was established, because every Essex owner seems to have made it a point to urge his friends to buy.

Note Its Economy

The Essex won its way through sheer merit. What car has more champions?

Where can you find such performance, or fine quality and good looks? Owners tell you how their car outperforms larger, costlier cars. Some have driven their Essex more than 15,000 miles without a nickle for repairs.

The tire, gasoline and oil economy is unusual. In these respects the Essex is like light-weight, low-priced cars. But the Essex also has the fine car durability and the finish and looks of higher priced cars.

It has their performance too. Its acceleration, speed and power are always compared to cars in the high priced field. So also is its riding qualities.

Three Models to Choose From

There are three models to choose from: the five-passenger touring car, a roadster that has the sportiest lines and which is so arranged that it makes an ideal business vehicle with large carrying space under the rear deck. Both are fitted with full protection storm curtains. The third model is the sedan, a five-passenger closed car, that is a traveling sun parlor. It gives full protection from all weathers in winter and can be opened up to be more comfortable in summer than an open model. But you have seen these charming cars. They are all about you, and you have heard all about them from their owners.

The opportunity to get an Essex in time for Christmas is yours if you act quickly.

It will be difficult to get delivery in the spring if you wait until then, for practically every dealer reports orders on hand in excess of his season's supply.

OVER A MILLION

With resources well over a million dollars this bank is vested with every facility and convenience to handle the business of both large and small customers.

On the basis of sound business principles, careful management of the bank's affairs and prompt and courteous treatment we solicit your business.
